BF73 BIFOLDING DOORS

Aluminium bifolding doors create a visually stunning addition to your home and can add huge value.

Class-leading design features set the BF73 Bifolding door aside from the competition – Thermal performance and slim profile sections to minimise the visible framework and maximise the glass area, are the key design criteria.

Engineering grade hardware, allows for silky smooth opening and closing operation – without having to pay a premium price.

What's more, all our doors come with a 10-year manufacturers guarantee for your complete peace of mind.

Why choose Aluminium?

- ✓ Aluminium is extremely durable, more hard wearing than other materials. You'll be able to enjoy your aluminium doors for not only years but decades to come as their incredibly resistant to the elements.
- ✓ Aluminium doors are among the best-insulated on the market, owing to thermal breaks.
- ✓ Aluminium is an incredibly strong material, therefore providing a high level of security.
- ✓ Low maintenance.

THERMAL EFFICIENCY

The B73 Bifolding door can achieve U values of 1.4 W/m2K.

SUPERIOR SECURITY

The BF73 Bifolding doors have dedicated shoot bolt intermediate locks operated by low projection handles in a variety of styles. Your bifolding door incorporates a traditional lever/lever 3-point dead latch & hook lock with dedicated strike plates.

LOW MAINTENANCE

Practically maintenance-free, aluminium doors are strong, durable and highly corrosion-resistant. Unlike timber, they don't need painting or staining to keep them weather-proof, and they won't rust or corrode. They will also never rot, peel or flake.

WEATHER RESISTANCE

Excellent sealing is achieved using a combination of weather piles and specially designed perimeter seals.

LOW THRESHOLD

Low threshold option for easy disabled access and to eliminate trip hazards.

HARDWARE

All handles have 5 standard finishes available from stock and are designed to give a stylish appearance to compliment your home.

Available in: Matt Black, Matt Grey, White Gloss, Polished Chrome and Brushed Satin

COLOURS

Our bifolding doors come in 5 standard finishes available from stock or any RAL colour on request.
